The case came hat ere a Police Justice on Wednesday, for mination, and was adjourned until Mon-

A dispatch from Eureka, Nevada, says elad a terrible water-spout burst in the mountains on Friday and swept through the town, Lilling 20 persons and causing great destruction of property. 'It had been raining with great violence from early in the morning till noon, when a cloud burst on a lofty range of mountains to the eastward, and a vast volume of water rushed down the canon where the town is situated. The eastern part of the town was flooded in ten minutes by a fearful rush of water, which was constantly increasing in violence, depth, and impetuosity. The people in that portion of the place were hommed in, and every moment houses were torn from their foundations and swept away with their occupants. canon where the town is situated. The tions and swept away with their occupants. Ropes were procured and a line formed. Brave men, thus protected, dashed into the connected any law of this state or ordinance of torrent and saved many lives. Only a few said city to the contrary in anywise netwithstandwomen and children were lost. The body of one, Mrs. Bray, was recovered. # CRYSTAL SPRING

### WESLEY B, CORBY, Proprietor.

The Crystal Spring that gently flows, Through flowery banks of evergreen, Like life it tells us to pursue A course like this .-- so pure, serone.

#### SUMMER IDYLS.

The poet may write of the wine's rosy cup, And of its bright virtues may sing, But sweeter and cooler is the goblet when filled With Ice from the Crystal Spring. Belshazzar of old, at his great royal feast, When his palace with revel did ring.

The winter is past and the bright sunny skies. Soon the roses and violets will bring, And then in our homes the goblet we'll fill With Ice from the Crystal Spring. Success to the cup that always does cheer, And sweet peace and contentment does bring,

Would happier have been, had his goblets been filled For of Farth's joyous gifts there is nothing so pure With Ice from the Crystal Spring. As Ice from the Crystal Spring. The above CRYSTAL ICE which gave such solid satisfaction to my patrons, will be
